NSHM Knowledge Campus 2019 – 2022
School of Management Studies — Score: 9.0 CGPA

PROFESSIONAL EXPERIENCE

Star Cement *Guwahati, Assam*
Executive – Transformation Office August 2026 – Present

- Drive cross-functional transformation initiatives by identifying actionable opportunities across focus markets, aligning stakeholders and ensuring execution against targeted business outcomes.
- Identify and support cost-saving and market-growth initiatives, leveraging business data and market intelligence to improve operational efficiency and increase share of wallet.
- Track and monitor initiative-wise performance and savings realization to identify deviations and ensure targeted outcomes.
- Develop management insights and business reports by analysing performance data, market trends and key business KPIs.
- Identify process gaps and operational inefficiencies and support actionable solutions for improved productivity and cost efficiency.
- Conduct market intelligence and market storming activities to understand competitive dynamics, channel behaviour and share-of-wallet opportunities.

G.K. House of EdTech *Kolkata, West Bengal*
Business Development Associate April 2026 – July 2026

- Generated 7× higher revenue than the given average benchmark through effective lead conversion and customer engagement.
- Achieved the highest number of B2C client onboardings within the team through focused lead nurturing and consultative selling.
- Managed lead qualification, prospecting and follow-ups to maximize lead-to-customer conversion and achieve revenue targets.
- Conducted consultative selling by mapping customer career and professional requirements with relevant upskilling solutions.
- Handled customer objections and solution-oriented discussions to support purchase decisions and improve conversion efficiency.
- Managed the sales pipeline and customer interactions through systematic CRM tracking and prioritization of high-potential leads.
- Tracked lead conversion and sales performance metrics to identify opportunities for improving sales productivity.
- Collaborated with internal teams and gathered customer feedback and market insights to strengthen sales outreach and engagement strategies.

Adani Cements *Howrah, West Bengal*
Assistant Manager – Sales & Marketing June 2024 – December 2025

- Delivered 20% YoY volume growth in Premium Product sales, increasing sales from 12,000 MT to 14,400 MT.
- Achieved 10% YoY overall sales-volume growth, increasing territory volume from 40,000 MT to 44,000 MT.
- Drove Premium Product penetration through focused retailer engagement, demand generation and targeted market initiatives.
- Managed a network of 10 Dealers and 60 Sub-Dealers/ARS, driving territory sales, channel development and partner productivity.
- Developed territory-wise sales plans and monitored performance against monthly targets to identify and address business gaps.
- Identified untapped counters and market opportunities to expand network coverage, market penetration and incremental business.
- Monitored competitor pricing, market movement and channel activities to identify growth opportunities and support market strategy.
